## Frankfurt Galleries offer guided tours in English

Dear Sir or Madam,

the Season Opening takes place from the 8<sup>th</sup> to the 10<sup>th</sup> of September. The event starts traditionally after the summer break with a weekend of open doors. The weekend is organized by the Interessengemeinschaft Galerien in Frankfurt (Frankfurt Galleries), which represents the current 30 members for the past 33 years. The Season Opening is under the patronage of Deputy Mayor in charge of Culture (Kulturdezernentin) Dr. Ina Hartwig.

For the 23<sup>rd</sup> Season Opening, the Frankfurt Galleries once again offer several guided tours in English language. On Saturday and Sunday, several walks are planned to visit galleries, giving insight into a broad range of contemporary art.

Beyond the guided tours individual galleries are happy to offer English speaking visitors short introductions to their exhibitions. English will be the only language spoken.
